Dear Alumni,

BECOME A MEMBER

A degree from Virginia Triumphant College & Seminary represents much more than scholarly expertise; it is a mark of dedication, passion and intellect. Members of the Virginia Triumphant College & Seminary alumni community share a unique bond of accomplishment and personal pride.

The school's continuing prestige and success adds value to the degree alumni worked so hard to earn, and membership in the Virginia Triumphant College & Seminary Alumni Association is a powerful way to preserve the school's legacy of excellence.

Alumni provide the spiritual, moral, ethical and financial support for Virginia Triumphant College & Seminary's future students, projects and programs.

One such project that Alumni will be involved in will be the design and construction of a new Educational and Research Facility which will house the Virginia Triumphant College & Seminary and the Dr. Alfred Goodwein Religion and Phenomenology Research Center. This facility will be located on the school owned property located at 1800-06 Mansion Avenue.

The construction of the \$1.2 million Virginia Triumphant College & Seminary and the Dr. Alfred Goodwein Religion and Phenomenology Research Center is a major undertaking that will bring into existence the vision of the Founders and provide a catalyst for the future of religious training and theological education throughout the world.

Members of the Alumni will be able to view a preliminary drawing of the building at an upcoming meeting to be held at Mansion Avenue Triumphant Baptist Church. This meeting is for you, the graduates, current students and your families. You will be

among the first to share in this momentous occasion, view the design and be able to provide input on areas you feel may enhance the facility.

As members of God's community, outreach is a major gap-filler to those in need. This facility will provide educational and training programs for members of our surrounding communities throughout the area with such classes as computer training in the facilities Computer Laboratory; Community Information Meetings, Graduation Ceremonies, Reunions, Educational Seminars and Lectures in the 125 seat auditorium which will also serve as a small fellowship and banquet hall, along with research and student development in the Resource Center and the school's Library. We are also looking into developing an Archive Library to house documents, manuscripts and other material that can be used for historical research of God's Kingdom.

These and other undertakings of your school will require your prayers and continued support. The Virginia Triumphant College & Seminary Alumni Application is attached. Thank you in advance for filling it out and for any donations you may wish to make towards this vision.

Sincerely in Christ Service,

Exodus 36:2-5 (NIV) - ² Then Moses summoned Bezalel and Oholiab and every skilled person to whom the LORD had given ability and who was willing to come and do the work. ³ They received from Moses all the offerings the Israelites had brought to carry out the work of constructing the sanctuary. And the people continued to bring freewill offerings morning after morning. ⁴ So all the skilled craftsmen who were doing all the work on the sanctuary left their work ⁵ and said to Moses, "The people are bringing more than enough for doing the work the LORD commanded to be done."
